Updates from spring work & equipment issues?

- Paving to start on Cook Road areas on or about May 27
- Hans deWaal home from Fl. Came to measure the gas tank location for future DEC issues. Loved Pictures.

Purchasing/Procurement issues:

- Voucher discussions in prep for fall budget: Goal to have voucher format match our budget numbering
- Steve Cembrinski still to meet with HD to observe process
- No new billing issues – Old issue: Allegiance/Corp Billing continues to submit poorly added invoices.

Training & Education

- June at IC in Ithaca. Town Board approved for Mike Thayer to go. Mike will submit after conf.
- Any news on other required training options? Still looking for replacement.
- Anyone else who has taken the required IT training? **all on committee need link**

Equipment, Work Plans, Purchases & Budget.

- Implications of potential rise in gas/diesel/ paving – so far ok. Plan to sign on w/County in Aug.
- Seamons update from Hubble. PMK -- Letter since no phone call.
- Comp Plan impacts on road work. Not discussed. Goal to review before June 10
- Bridges-estimates on Fork Shop & Phoenix Mills (walking), Mill St (to share)

Highway Road Show Open House – For Spring 2026 May 21 at 5 pm

- Reviewed & Corrected all Slides: Added spoils, safety, Culverts, mailboxes, bikers, walkers
- Received some photos from Mike R. to add.
- Budget implications – refer to fall

Driveway/Culverts
